

Dear parents & guardians,

This year, our school is beginning a new program, the **WOW! (Walk/Wheel on Wednesdays) Challenge** to encourage students to walk, bike, learn, and explore throughout the school year!

Here's how it works:

1. Students receive a new scorecard for each month of the challenge.
2. Each Wednesday*, kids track their trips by circling a shoe, bike, or board when they walk, bike, or skate/scooter to school.
3. Kids who complete four or more **WOW!** boxes per month receive a small prize.

*Missed a Wednesday? Just walk, bike, skate/scooter on another day.

Children who walk or bike to school concentrate better in the classroom, and walking is also a great way for YOU to spend quality time connecting with your kid(s).

We invite you to put on comfortable shoes and walk to school on Wednesdays.

If you live too far from school, consider parking your car a few blocks away and walk from there. We hope you discover things along the way that make you say **WOW!**
