

# How to make a map for your Walking School Bus

1. Go to Google My Maps at [https://www.google.com/maps/d/u/0/?hl=en\\_US&app=mp](https://www.google.com/maps/d/u/0/?hl=en_US&app=mp)
2. Select "Create New Map"
3. Find your school by entering the name into the search bar at the top. Select Add to Map.
4. Click on "Untitled Layer" on the left and title it the name of your first route
  - a. Select the draw line function below the search bar
  - b. Select "add walking route"
  - c. Draw the route, double click to finish the route
  - d. Repeat for all routes. Your map should look something like this...

5. Microsoft computer: Take a screen shot (Prtsc) of the map and paste into Paint or another editor. Select the relevant part of the map and paste into your flyer.
6. Mac computer: Take a screen shot of the relevant portion of your map (Command-Shift-4). Insert the map into your flyer using "Insert → Photo → Picture from File". The screenshot should be located on your desktop.
7. Create text boxes in Microsoft Word to label your routes and their start times (example next page).

You've made your map!
